

Welcome to the Health Care Home Café

**Doors of opportunity are marked "push and pull".*

**A setback only paves the way for a comeback.*

**Barriers: legal (red tape), minimal staff.*

**Engaged staff involve care coordinators in decision making and program development.*

**Stable leadership is key*

**"DIAMOND" program through ICSI*

**Team approach to decision making – transformational leadership and training!*

**Long term and short term – "where do you see yourself in 5 years?"*

**Report Cards – review every 6 months or prn*

**What would you do if you could do x, y, z?*

**University of MN Physicians Rocks 😊*

**Have Fun 😊*

**Send out a "goal" form (info. for the patient to think about the goals) along with the Care Plan*

** Certified Health Coach*

**Hi from Alexandria Clinic*

**The real secret of success is enthusiasm*

**GOAL*

**Make your day a great one!*

**Barrier: Access in Electronic Health Records*

**Flowers for you!*

**Speak Out*

**Share your ideas 😊*

**DDIS Reports from DHS.*

**Your ideas are great! Share them 😊*
